After School Enrichment Programs

Six One Hour Classes

2:30 p.m - 3:30 p.m.

WAMS- S.T.E.A.M. Classroom

All Aboard...Full S.T.E.A.M. Ahead

Our STEAM class puts ART into Science, Technology, Engineering, and Math for an integrated . holistic creative approach to learning. In this session your child will use his/ her imagination and creativity in a variety of activities. Your child will explore sculptures, architecture, build and re-engineer components of everyday objects, and utilize measurements and shapes to create optical illusions.

Mondays, starting September 25th

\$75 pp
