

HURRICANE MARIA EMERGENCY RELIEF EFFORTS FOR PUERTO RICO

PREFERRED DONATIONS

- **Bottled Water**
- **Lifestraw Personal Water Filter**
- **Canned Foods**
- **Batteries**
- **Flashlights**
- **Wipes**

This is being organized by Solimar and Camilo Rivera. We are very concerned about the condition of the Island of Puerto Rico. Our family and friends live there and they have no electricity, no water and we have not been able to communicate directly with them. The people of Puerto Rico are running out of food and drinking water. Please give what you can and we will be having the donations personally delivered to Puerto Rico. If you have any questions, you can email our mom, Daisy at olgadaisynavedo@gmail.com.

Thank you in advance for your help!
