At home guide to login to Clever

www.clever.com/in/Worcester

What is Clever?

Clever makes it easy for students and teachers to access all online learning programs and resources.

Who is using Clever?

All WPS teachers and students.

How do I login to Clever at home?

- 1 Go to your portal:

www.clever.com/in/Worcester, select your school

- 2 Enter your credentials:

Username: student.xxxxxx@worcesterschools.net

Password: Grades K-6: 8 digit birthday MMDDYYYY)
Grades 7-12: students made their own passwords in the student portal
(student.teamonline.org)

Each student can access all the connected apps based on the school, grade, and classes. Each student will have a slightly different screen. Here is a sample of some of the apps they might have access to. Teachers are able to add apps for each of their classes.
